

THREE DIE IN DUBLIN, THREE MORE SLAIN IN IRISH CLASHES

Five Police Recruits Wounded
in Bomb Explosion—Officers
Fight Hold-Up Men.

DUBLIN, March 15.—Five police recruits were wounded by the explosion of a bomb here last night while searching a house in Great Brunswick Street. Three civilians were killed and several were wounded by the explosion.

All troops in Dublin were confined to their barracks last night, officers fearing that there might be disorders as a result of the executions of six men in Mount Joy prison early in the day. The Dublin Corporation, which adjourned last week owing to the murder of several men in Limerick, adjourned again yesterday because of the executions.

CORK, March 15.—Several British officers who were wearing citizen's clothes were held up by unknown persons at Crosshaven last night. In the fighting Thomas Hennessy and Michael Murray were killed. John Moyasta, a farmer of West Clare, was shot and killed when he opened his door in response to a knock. Several other murderous attacks were reported here during the night.

GUN FIGHT IN RR. YARDS.

Nobody Hurt After 15 Minutes of Shooting—One Arrest.

Pennsylvania Railroad detectives fought a revolver battle with freight car thieves for fifteen minutes in the yards near Warren and Second Streets, Jersey City, early today. Nobody was shot, but Special Officer Martin Nelson escaped only because one bandit's pistol failed to go off.

Nelson was patrolling the yards when he saw three men breaking into a freight car containing fine cigars and tobacco. When he tried to arrest them they opened fire on him. The shots brought railroad detectives from all parts of the yards, and there was a running fire from behind freight cars. Only one man was found. When dragged from under a car he said he was Jerry Murphy, twenty-one, of No. 415 Henderson Street.

intended as a reserve for the existing Imperial cable, and has been leased for a short time to the Western Union Company for \$27,000 per year. Mr. Pease remarked that a new cable would have cost \$1,000,000, and that, therefore, he considered the deal as most profitable.

It is unwise to pack away for the season expensive winter garments, hangings, and rugs, if there is even a trace of dust in them

Any woman knows that dust particles are destructive—they age stored materials more quickly even than hard usage

Housewives are using the vacuum cleaner for removing dust from winter materials. It cleans them thoroughly, with little effort, and without injury to fabrics

Vacuum cleaners are on sale at the many electrical shops throughout the city and may be seen in operation at our Showrooms
